In these studies, only summary outcomes, not individual students' outcomes, will be reported.

Parent/Guardian Name: _____ Signature: _____

Important Information about TEP's Admissions Lottery (April 7, 2020)

The Equity Project (TEP) Charter School is a public school that is free for all students. TEP has 120 seats for students entering Kindergarten and 120 seats for students entering 5th grade in the fall of 2020. TEP anticipates that more than 120 students will submit applications to attend TEP for each entering grade level. Therefore, TEP will hold a lottery to fill its Kindergarten and 5th grade cohorts.

Each prospective student will have one ticket entered into the lottery drawing. An individual unaffiliated with TEP will select tickets, one at a time, until all tickets have been drawn. After the lottery is completed, TEP will inform you as to whether your child has been awarded one of the open seats at TEP. If your child is not awarded an open seat through the lottery, your child will be placed on a waiting list for future openings. For more information about TEP's admissions lottery, visit: <http://www.tepcharter.org>.

TEP's lottery is open to any student residing in New York City who will be entering Kindergarten OR 5th grade in the fall of 2020. However, admissions preference is given to students who reside in Community School District 6.

In addition, TEP has reserved a portion of its available seats for students who receive Special Education Services and also for English Language Learners (ELLs). This information is determined by the student's current records OR by parent / guardian affirmation on the student's application. If there is conflicting information as to a student's Special Education or ELL status, TEP makes a final determination using its best judgment.

Non-Discrimination Statement: A charter school shall not discriminate against or limit the admission of any student on any unlawful basis, including on the basis of ethnicity, national origin, gender, disability, intellectual ability, measures of achievement or aptitude, athletic ability, race, creed, religion or ancestry. A school may not require any action by a student or family (such as an admissions test, interview, essay, attendance at an information session, etc.) in order for an applicant to either receive or submit an application for admission to that school.

If you have any questions, need help completing any parts of this application, or would like to confirm that TEP received your application, please **contact us at 212-328-1775 or StudentApplications@tepcharter.org**.
